This year Medina's Drama Club put on one of the most successful Variety Shows ever. It was appropriately called S.P.I.C.E. meaning Special Program Involving Creative Entertainment.

# Medina Seniors Take Over

## Project Involvement

This year ninety-six students participated in a program called Project Involvement. The program involved seniors who were assigned to various city and county jobs. Every student had a counterpart who showed them the duties they were required to do.

The project was kicked-off on November 9, 1973. All of the students gathered at the Medina Congregational Church to hear eight speakers. The City Planning Director Rick Grice, who planned the project, began the pre-luncheon program. He said the program will hopefully create an awareness by the students of the demands of local government, and show the importance of voting.

In addition he said, the program will hopefully develop a positive attitude toward local government, and develop active citizens rather than passive ones.

The speakers included State Representative William Batchelder III, District Assistant to Congressman Mosher, Dorothy Litman, Medina County Commissioner Charles Clark, Superintendent of Medina City Schools John Kaczinski, President of the School Board Ralph Waite, Principal Augie Rios and Mayor Fred Greenwood. All the speakers agreed that the program would be a success.

The program got under way on Monday the 12th and was concluded on Wednesday the 14th. For these days the seniors learned about the jobs they were assigned, and where ever the student's counterpart went, he went.

All of the seniors received a bird's eye view of the way our local and county government works and what makes it tick.

# Homecoming Of 1973

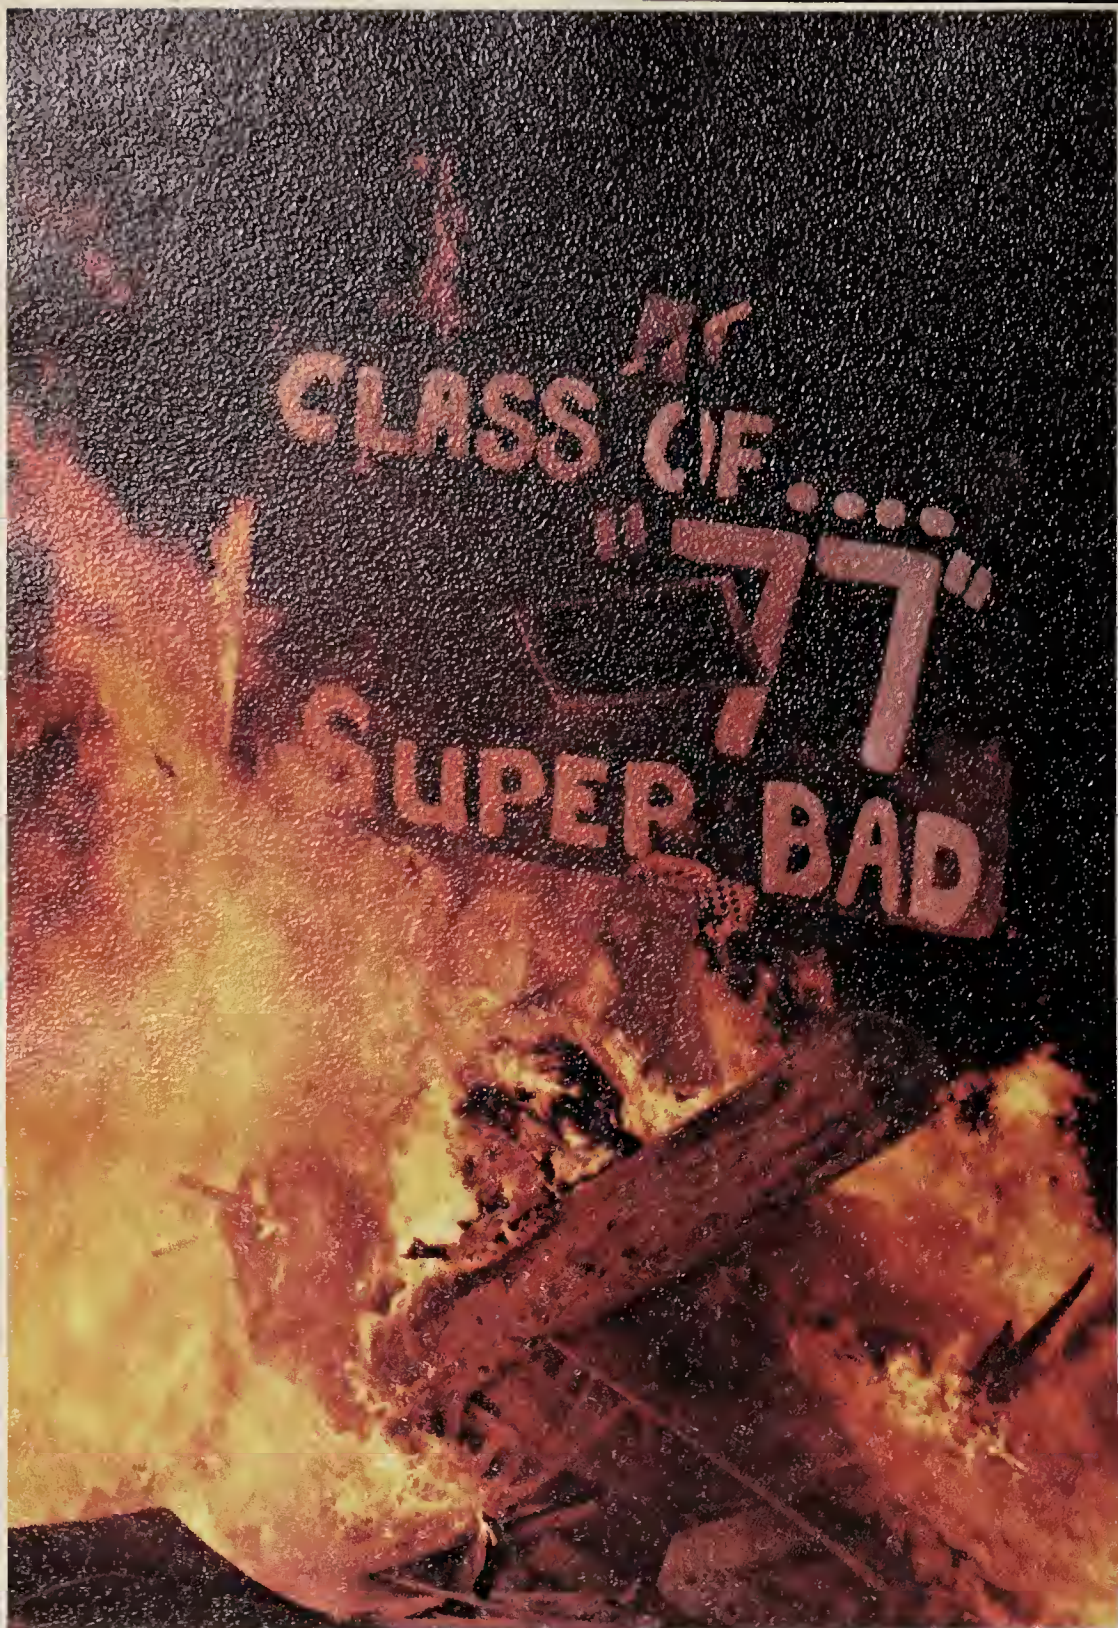

Homecoming festivities were climaxed this year when the battling bees beat Avon Lake 27 to 15. But it didn't start here. This year Pep Club, GAA and Key Club together decorated the uptown to let everyone know this was Homecoming Week. Thursday night our successful bonfire was the heat of the night. The bonfire also included float competition between the Juniors and Seniors. Both were successful in their attempt, but for the second year in a row the class of '74' came out ahead, winning first place. Friday, our game had a touch of beauty as our lovely homecoming court of Vicki Gulling, Carleen Korte, Lynne Rudes and the 1973 homecoming queen Marcia Gorfido, cheered the team to victory. Medina's success continued on to Saturday night when our homecoming dance, sponsored by the Sophomore class, was one of the most successful Medina has had in years. The theme this year 1950—Let the good times roll.

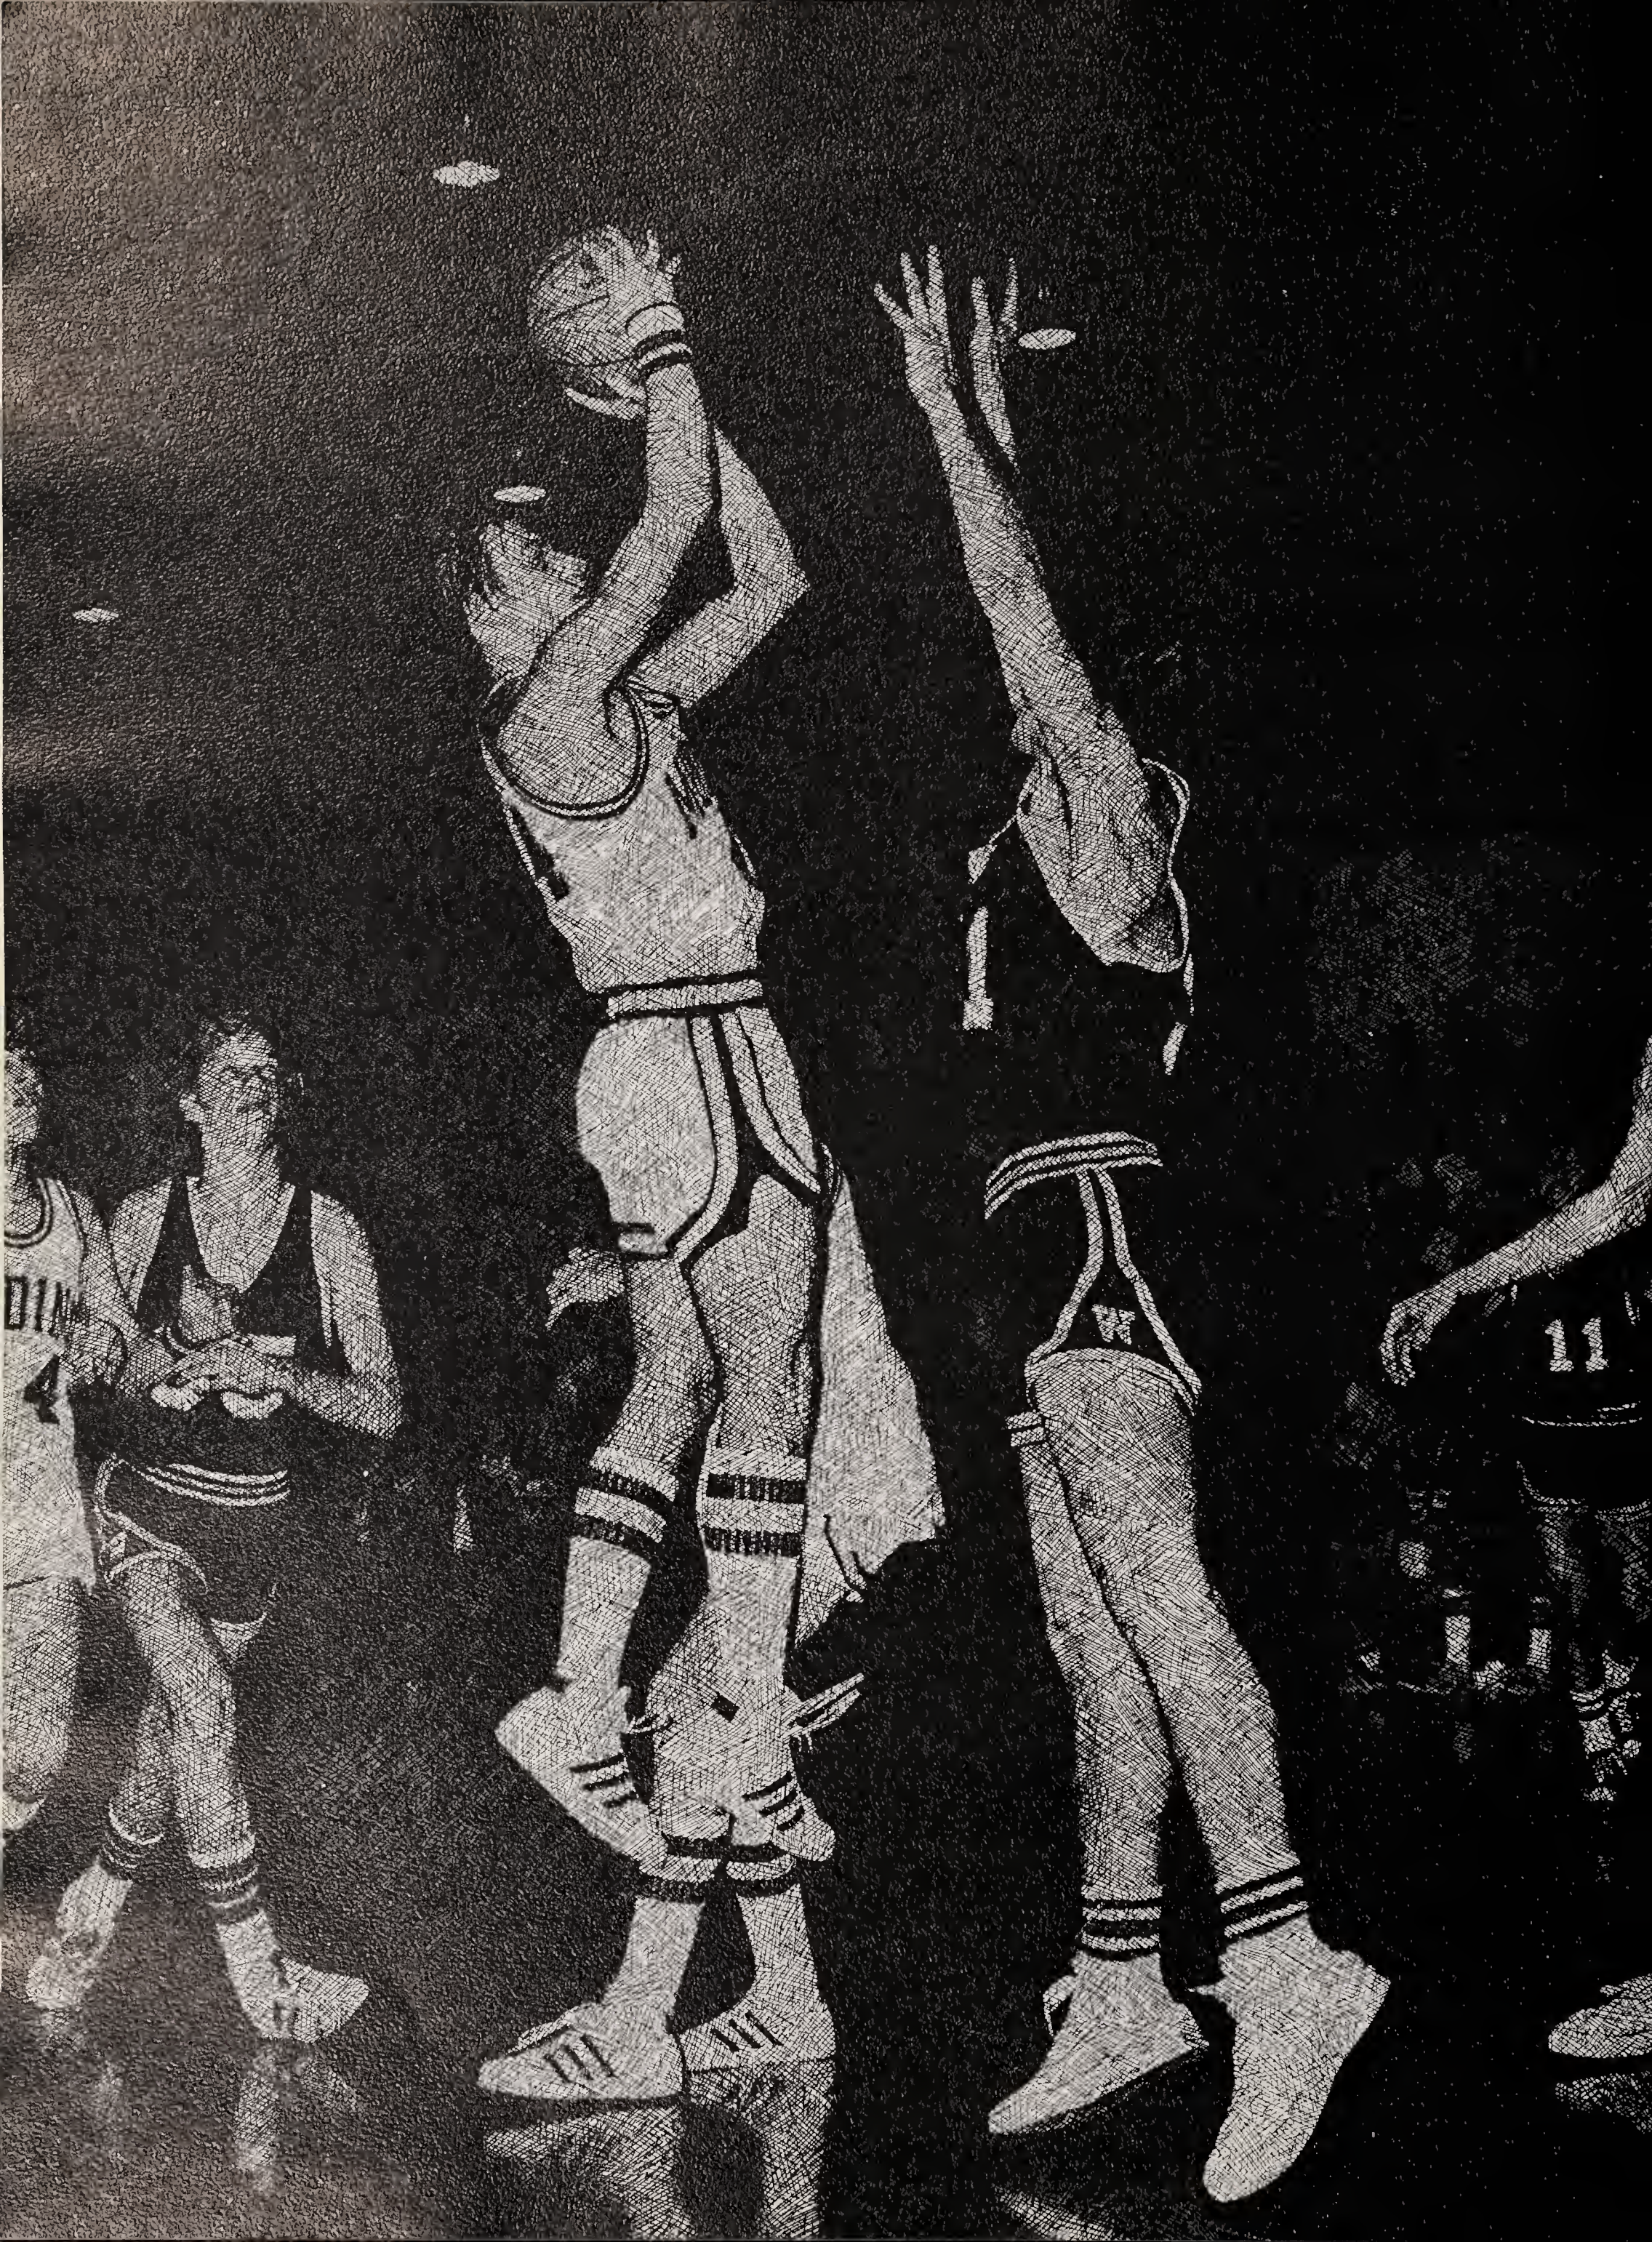

Some of Medina's old queens joined our homecoming festivities this year. Row 1: Denise Snyder Puehler, 1956, Borboro Houmesser Morris, 1946, Edith Stock Hood, 1950, Pot Tiffner Geordano, 1958, Joni Anderson Bitting, 1957, Cloudio Hunter Jones, 1969. ## Junior Varsity Shows Promising Future

With additions and subtractions to the J.V. squad, they prove to keep together enough for a successful season. Height, combined with ability, pushed the team for a 14-4 record. This should help for an excellent 74-75 basketball season.

The '73-'74 Bee Hoopsters did not fare well in the win-loss column, finishing with a 4-15 record, but did play some very exciting games. Senior captain Craig Campbell, leading scorer and rebounder, was named to the 1974 All-S.W.C. team. Senior guard Dave Stiffler shot an incredible 87% at the foul line. Sophomore Jeff Cox, a center, had the highest field goal percentage at 55%. Seniors Randy "Gusto" Stearns and Jeff Hood showed plenty of hustle for the Bees on defense.

## Medina Golfers Teed Off!

The '74 Tee Bees finished the season with a 13-10 record. Senior co-captain Paul Kurtz was selected as this year's Most Valuable Golfer. The team will graduate its two top men, Kurtz and Torgerson, but should return with a strong and experienced team next fall, as golf will become a fall sport.

## Track Starts and Finishes Strong

Medina track had a great and record breaking season. Two school records were broken while many individuals set new standards for themselves. There were three qualifiers for Districts, and ending with a participant at the State Meet. Next year Medina should have an excellent season also.

## Who Could Ask For More

Senior class officers include Polly Kach, Treasurer; Mary McDaniels, President; Debra Roalsen, Vice-President; Vicki Gulling, Secretary.

Somewhere in the chaotic and rapidly paced four years known as high school, the students of 1974 developed a common bond and became the class of 1974. This common bond was friendship.

Throughout our freshman year we were plagued by the problem of standing up in time for our "Freshman RAH!", and by the baffling problem of what to wear, say and do at the first Homecoming Dance. The girls held the upperclass boys in an absolute awe, while the boys admired the older, more experienced girls.

We are Seniors, looking back, laughing at the good times and contemplating at our mistakes. Now, we have walked out the doors of MHS for the last time.

## Comes Alive

The Junior Class led by officers: Beth Gardner President, Nancy LaBadie Vice President, Jan Wagner Secretary, Carla Gallucci Treasurer, had another great year. Their two big projects were building a homecoming float and organizing prom. They ran the concession stand at football and basketball games. To raise money they successfully sold candles.

*used 9/16/75 truck accident*

## **Medina truck driver is killed in accident**

SHARON TWP. — A 22-year-old Medina truck driver was killed on Rt. 18 Wednesday after he apparently lost control of his truck and ran off the road.

David S. Beckowitz, 22, of 4568 Nettleton Rd., Medina, was dead on arrival at Medina Community Hospital at 4:30 p.m. Wednesday.

The Medina post of the Ohio Highway Patrol said Beckowitz was eastbound on Rt. 18, apparently traveling at a high rate of speed, when traffic ahead of him slowed down.

BECKOWITZ apparently tried to stop his truck, but could not and turned off the right side of the road, entering a front yard at 1708 Medina Rd., where the truck overturned, the Patrol said.

Beckowitz was trapped inside the truck's cab. The Granger Twp. Rescue Squad pulled Beckowitz out of the wreckage and he was transported to the hospital.

Beckowitz was returning the truck to White Motors in Akron.

If approved by the state and

counties and their local govern-  
ments, the plan will become the of-

## Freshmen

This years Freshmen class had a interesting year. Firecrackers and cherry bombs were added to the excitement of their bonfire. They held a successful candy sale, making enough money to purchase Homecoming decorations for next year. With three more years in our brand new school, we hope they will take care of it for years to come. Above: Officers include B. Phillips—Secretary, B. Polo—Treasure, S. Cole—President, D. Locke—Vice-President.

## Showtime '74

"Academy Award Winning Songs", was the theme for Showtime '74. Credit for a successful show goes to the Carey-Burke-Neiman Team. Swing, Concert, Varsity, Activity, Girls Glee choirs, and Stardusters were nostalgic, exciting, and entertaining. G. Burke soloed the romantic song "Three Coins in the Fountain". "No Two People" have ever been so in love as K. Bixler and D. Mollohan. Complete in overalls, Cindy Prochaska's "Zippedy Doo Doh" was "Zippedy!!" The Swing Choir's "Chim Chim Cheree" had a V. Masi solo in it. K. Eisenhart introduces the award winning '73" song, "The Way We Were". Letting you know the best product for a cold "Da Da Da Dah", Concert Choir and Varsity Choir song a hilarious commercial takeoff called "And Now A Word," in the valley of the jolly ho-ho-ho—green giont. The Girls Ensemble did the lively tune, "Boogie Woogie Bugle Boy." M. Jamerson received an ovation each night after she belted out "I Am Woman". Showtime was the musical finale of the year.

## My Fair Lady

Not content with stopping of a record of two successful musicals (Brigadoan and Oklahkoma), Mr. Charles Corey and Mrs. Bobbe Burke made it three in-a-row with "My Fair Lady", on April 4, 5, and 6. We had a highly talented cost, and accompanying them were the Orchestro, Concert Choir, Doncers, Cockney Quartet, Servonts Chorus, and all the Crews that were o mojour part of the success af our musical. In o tenement section of Covent Gorden, Dolittle (K. Bixler) and Jomie (D. Johnson) went to live on "easy" street "With a Little Bit af Luck". The cockney of Covent Gorden ore worming their hondrs by the fire. Understanding Higgin's frustration, the Servonts Chorus sing "Poor Professor Higgins". Higgins (D. Bryantan) and Pickering (B. Smith) successfully rid Elizo (J. Steingass) of her gutter tolk. Outside Ascot, Elizo shows her discust ot Freddy Einsfordhill (T. Bixler) with Mrs. Higgins (D. Fovret) looking on. Ascot Chorus perform the "Ascott Govotte". Pickering admires Elizo before their departure to the bollraom of the Tronsylvania Embossy. Korpothy (B. Reedy) seems to be terribly boring to Higgins. Once agoin it must be soid, "Whot o Smashing Shaw!!

## Student Council

This years Student Council was an active and important organization in representing the student body. They set to accomplish three goals and were successful to a degree in most of them. The first was to get more students involved in school activities. Twice as many students attended the Homecoming dance as in previous years. Over 700 students came to the Circus Concert. Second, they tried to make the membership in Student Council more meaningful. And third, they tried to represent the students better. Meetings were open to all students, with some evening meetings scheduled to allow more people to attend. A newsletter was published and distributed carrying all the current Student Council News. They were involved with various activities this year including, Freshman orientation, Homecoming, Dollars for Scholars, student exchanges with neighboring and SWC schools, sponsored Circus Concert and helped draft Senate Bill 529, which concerned the length of the school day. They sponsored social activities for members including a hayride, dinner, and a year ending dinner meeting. Student Council ended a successful year by conducting student elections for class officers for the 1974-75 school year.

# Apathy Club

The members of Apathy Club have not shown enough interest to attend meetings or elect officers. An added difficulty was the lack of an advisor. Nevertheless, the club managed not to do or participate in the many activities in our community.

Among the many things they did not do were: They didn't go Christmas caroling, or visit the old folks; they did not participate in an Easter egg hunt nor did they attend pep rallies.

Members of the Apathy Club didn't show up to have their pictures taken for the Medinian which really didn't matter because they didn't buy a copy anyway.

For a money raising project, they scheduled a bake sale, but nobody brought anything to sell. The major activity of the year was the decision to go to Chippewa Lake Park, but when the designated time arrived no one appeared at the meeting place (Reagan Park) which was of no consequence as the bus didn't come anyhow.

Who cares about apathy anyway?

Now that the 1973-74 school year has drawn to a close, you realize it was a great year. Many obstacles had to be overcome, but our greatest transition was the move from the old high school to the new M.H.S. We were fortunate to have an outstanding staff who worked well together as a team. I would like to express my sincere thanks to all these staff members for their many hours of hard work. I would also like to thank Contemporary Photography Studio and John Urian, our Paragon Representative, for their co-operation. I would like to give special thanks to Mr. Cheuvront, who without his unlimited time, patience and true dedication this book would not have been possible. Thanks to everyone—
